

## Talent Specs

# Diversity, skewing Hispanic and mixed couples, Caucasian.

### KIDS

Boys and girls, 10-17 with 12 being the ideal age.  
Diverse options that represent Utah (Caucasian, hispanic, Polynesian)

When we pair them as friends, the combinations need to look believable

### KIDS TOTALS

4 kids  
5 extras

### PARENTS

Men and women, age range 30-50x  
Diverse family structures  
Dad bods encouraged

### PARENT TOTALS

4 parents

### TALENT COMBINATIONS

We don't need to show two parents in a situation, but once a parent is paired with a teen, we need to keep them together for continuity.

Recommend: With only 4 parents, we would use one parent and child setup in the morning, and one in the afternoon of each day filming. Extras can be added as needed per scene.

Teens can be mixed around into different friend groups.
